SUMMERTIME IS VACATION TIME FOR THE CHILDREN IN INDIA AND NEPAL

**PASTOR LALBOI'S KIDS IN WEST BENGAL

**BETHEL KIDS LEARN HOW TO BE
PEACE STARS IN THE WORLD**

After completing their Half Yearly Examinations in June, the children from India and Nepal were ready for a well-deserved break! They began their summer vacations with some fun VBS programs. In summer, they have more time to help with household tasks, and in doing so, they're learning to be more self-reliant. But when the work is done, it's time to play soccer, or to just relax and enjoy the summer weather with a friend.

SPONSOR UPDATE

Since our last newsletter, we have assigned sponsors to five children! The two children at Bethel who were waiting for new sponsors have been assigned. We currently have four children on Bethel's waiting list and three children at Talita Cumi in Bolivia. Spread the word! To sponsor a child, visit our website at HFCLove.org, or contact Shirley Long at 800-866-7581.

CONGRATULATIONS TING!

Earlier this month, Ting Lalnunpui was named **STAR OF THE WEEK** at her school for being the most disciplined and smartest student of the week. Ting is the first Bethel student to win this award. We are all very proud of Ting's achievement!

OUR ORPHANAGES ARE EXPANDING!

1. **Sanga Muon** needs to build a **boundary fence** on the northern side of their campus (the original entrance). A neighbor has built a house on that side and is dumping his garbage there. Cost - \$7800

2. **Sanga Muon** has started construction of **two rooms above the Girls' Dorm** which would serve as a **sick room and a guest room** and they need help to complete it. Cost - \$9300

3. **Bethel** still needs \$11,000 by the end of 2017 to **purchase land for building a new orphanage and school**. Their vision is to accept day students from the community to eventually become self sustaining.
4. **Pastor Lalboi, West Bengal**, wants to build a **residence hall** to house 10 children. Cost - \$10,000

Please make these visions a matter of prayer. If your church is looking for a project to sponsor, or if you would like to personally contribute to any of these projects, let us know!
