

Pastor Lalboi's children in West Bengal are seen in the photo at right. He sends his thanks to all of our sponsors and friends for their great concern and financial support which enables him to care for their physical, spiritual and educational needs. With

the money we sent him for Christmas, he has purchased three desks, two beds and two mattresses for the children. A new dining room table is being ordered as well. They enjoyed their Christmas break and are starting the new year on a positive note.

Our boys in Haiti joined together with the children of Pastor Lesly Bertrand's Assembly of Grace Church for a special Christmas party. The photo above shows some of the children enjoying the festivities.

You can send a monetary gift for your sponsor child's birthday? HFC recommends a gift of \$15 per child, which can be given at any time throughout the year.

The Bethel well is working! They found water at a depth of 180 ft, so they dug down to 250 ft. They are getting plenty of clean water. A water container is currently being constructed. Photos will be posted in the HFC Spring Newsletter.

SMI children photo with the Governor of Manipur

On Friday, December 20th, the children from the Sanga Muon Orphanage (SMI) were invited by Mrs. Najma Heptilla, the Governor of Manipur State, to visit her residential compound, 'The Raj Bhawan' in Imphal, to celebrate Advance Christmas along with her staff and a few Kuki Women's Union members. It was a great opportunity for the children. They enjoyed the games and entertainment in the Raj Bhawan. The Governor is shown above, posing for a picture with the children. Below, the kids take a moment from the fun for a photo op in front of a giant sliding board on the compound.
