NEW MATTRESSES PURCHASED FOR SANGA MUON CHILDREN

The children at the Sanga Muon Orphanage in Northeast India were happy to receive new mattresses, pillows and blankets for Christmas. Some of the children are pictured at left with their new mattresses. **We wired \$6841 in December for Christmas gifts**, along with regular support money, to our orphanage directors. The children were thrilled to receive new clothing for Christmas. It's a real treat for them to have clothing purchased just for them. Many thanks to all of you who contributed to make Christmas special for them.

BETHEL CHILDREN ORGANIZE SPECIAL CHRISTMAS SHOW

On December 22nd, an Advent Christmas Service was held at the Bethel Children's Home in Northeast India. The day began with an inspiring message from Dr. Lamboi Vaiphei, Founder of the Bethel Children's Home. The children performed a skit (pictured at right) and presented special musical numbers. After the service, they all enjoyed a delicious meal, before the evening concluded with a Fun Night, where the children displayed their many talents.
